Dear Parents / Carers

I can't believe it is already time for the Friends' Christmas Fair on Saturday!

This year we need your support more than ever. With school budgets tightened, and errors in the Department for Education's calculations meaning even less money next year, the work of the Friends in raising money is invaluable.

We look forward to seeing everyone between 1 p.m. and 3 p.m. for some festive fun, crafts and Santa.

Other events coming up:

Parents are all welcome at the following events. We won't be charging but will ask for donations towards music in school.

EYFS Nativity:

-Wednesday 6th Dec - 9:15am

-Thursday 7th Dec - 2pm

Years 1 -3

-Wednesday 13th Dec - 2pm

Years 4-6

-Wednesday 13th Dec - 10am

Christmas Dinner is on 6th December. Orders close at midnight tonight on Parent Pay for this.

Each year group is organising their own Christmas party during the last two weeks of terms. Teachers will send out letters about food and clothes

Finally, the last day of term is Friday 15th December. We have an early finish on this day (and there will be no Busy Bees after school):

1.00 p.m. - EYFS/Y1 and 2

1.10 p.m. - Years 3- 6

Best wishes

Simon

Christmas Fair - Saturday 25th November 1-3pm

We look forward to seeing as many of you as possible at our Fair tomorrow. At 1pm we have a wonderful performance from our School Choir and we will not start selling etc until they have finished singing so that we can all enjoy the performance. It will also give the choir a lovely audience to sing too.

We are still in need of cake donations and these can be handed in on Friday to the School office or on Saturday morning.

We look forward to seeing you at the Christmas Fair

Who is responsible for Antarctica?

In the news this week

Scientists have found more flowering plants, moss, and algae in Antarctica in the last 10 years than usually grow in 50 years, and the extent of floating sea ice there has hit record lows. Polar explorer and environmentalist, Robert Swan, has been so concerned about the radical changes to Antarctica that he founded the 2041 Foundation, with the aim of ensuring the preservation of Antarctica through the promotion of recycling, renewable energy, and sustainability to combat the effects of climate change. The charity, 2041 School, encourages young people to learn more about the initiative.

Things to talk about at home ...

- > Share any prior knowledge you have about Antarctica. Is it a place you would like to visit? Why?
- > Do you believe individuals have a part to play in protecting places such as Antarctica or should world leaders do more?
