

Dear Parents / Carers,

I try not to take up this part of the newsletter to remind people about expectations but I feel it is important on this occasion as we don't want anyone else to get hurt.

School gates open at 8.35am, any children arriving before this should be supervised by parents or carers. If your child walks to school by themselves they should not be arriving before 8.35 a.m.

This week a child fell off the wall running around the paths and two children were playing hide and seek between the cars with their parent.

Please do not use the area in front of the school or the car park as a play area. It is for waiting to drop off / collect only.

Children who are found unsafe and unsupervised before school will be brought into school by a member of staff and parents / carers will be charged for Breakfast Club.

Thank you for your support with this.

Best wishes

Simon
