MINOR ILLNESS REMINDER

Now the sun is shining, and hopefully spring is on it's way, we start to see the decline in seasonal illnesses. If children start the day unwell but start to feel better, we encourage them to try to return to school for the afternoon session.

Carclaze Community Primary School

invite you to a Book Babble and biscuits session!

Come along and share books with your child and chat about reading for pleasure with school staff.

Encouraging a love of reading is important so that both adults and children can experience the benefits. Being read to consistently throughout childhood is key to encouraging children to read for pleasure.

Reading teaches children about the world around them. Exploring different worlds, characters and scenarios stimulates a child's imagination and develops their empathy. Sharing this experience as a family or group enhances learning, creating chances for people to discuss ideas, beliefs and ways of life that might be different to what they know and see around them.

11th March - Year 4

18th March - Year 5

January's Musician of the Month

LUDWIG VAN BEETHOVEN

About: Ludwig van Beethoven (17th December 1770 – 26 March 1827) was a German composer and pianist who remains one of the most admired composers in the history of Western music; his works rank among the most performed of the classical music repertoire and span the transition from the Classical period to the Romantic era in classical music. In his early period, he forged his craft whilst his middle period showed an individual development from the styles of Haydn and Mozart. During this time, he began to grow increasingly deaf. In his late period, he extended his innovations in musical form and expression.

In the news this week

Tennis player, Emma Raducanu, has revealed she would like to meet darts player, Luke Littler, after he recently became the world darts champion. Comparisons between the two young sports stars have been highlighted. Raducanu was 18 when she became the only qualifier in history to claim a Grand Slam title, by winning the 2021 US Open. Similarly, Littler became the youngest-ever World Darts Championship winner at 17.

Things to talk about at home ...

- > How do you think Luke Littler felt when he became the youngest-ever World Darts Championship winner at 17? How do you think he might be feeling now about future competitions?
- > Can you think of a time when you were under a lot of pressure to succeed or achieve something? Share it with someone at home. Can they recall a similar time?
