Dear Parents / Carers

We were overwhelmed by the number of families that were able to attend the Reading Breakfast and Book Fair today. Thank you for your patience whilst getting everyone in to a packed hall and while we found extra tables and chairs.

It was fantastic to see so many enjoying books together and adding to their own collections from the Book Fair. Your support has also raised money for the St Austell Festival of Children's Literature, with approximately £200 collected from refreshments and the Book Fair donations.

The Literature Festival has a great event coming up in half term with the author of the Skandar books series, AF Steadman (more information is elsewhere in this newsletter)

Best wishes

Simon

In the news this week

Book publishing company, Penguin Random House UK, has revealed a new book vending machine at Linlithgow Academy, near Edinburgh, Scotland. The machine gives the pupils access to more than seventy different books from Penguin's 'Lit in Colour' reading lists. The reading lists, set up around four years ago, are updated each year and aim to make works by writers of colour more visible and accessible in schools.

Things to talk about at home ...

- Would you like to see a book vending machine in school? Do you think it would be popular?
- What types of books do you like to read, and who are some of your favourite authors? Ask others at home about their reading preferences.
- Do you feel it's important to know about the author of a book you read? Is it important to you to read books by authors from different backgrounds and with different experiences? What do others at home think?

St Austell Festival of Children's Literature presents a very special fundraising event...
