Dear Parents / Carers

One of the most important parts of being a community school is everyone working together to provide the best opportunities for all our children.

For many years a key to bringing everyone together has been the Friends of Carclaze School. This group of parents, staff and other linked members of the community works hard together for two main aims:

To provide broad opportunities for the children

To raise funds to support the children's learning and experiences in school.

Every parent and member of staff is automatically part of this group. Some will support by coming to events like bingo or a Fayre. Others will volunteer to help at the events or with preparation between events.

We all need a strong core of parents to attend the committee meetings and help make decisions about what events we will hold and how we will spend any money raised.

In the current climate of very small school budgets this group is more important than ever.

Everyone is invited to a cheese and wine evening on Wednesday 18th September at 7pm to find out more about the Friends, what is planned for this year and how you can be involved.

Best wishes

Simon

To celebrate its Diamond Jubilee (60 years) this year, the competition has also introduced a new Impact Award to recognise conservation successes and stories of hope.
