Dear Parents / Carers

Next week includes World Book Day (7th March) and, as I shared before half term this year we will focus on the book *Flooded* by Marija Ilustrajo. The book is full of animal characters.

Events for Book Week:

Monday 4th March - Booknic - parents and carers are welcome to come and share books with the children in a relaxed way throughout the school. Come along at 2.30 and read together.

Thursday 7th March - World Book Day - no expectation for dressing up but if your child wishes to then we would love to see them dressed as an animal to link to our book. (Please don't go to expense. This can be something simple like an outfit to match the chosen animal's colour and some face paint whiskers.

Friday 8th March - Book Fair - there will be opportunities to visit the Book Fair during and after school. Books will range in price from £5 to £12. Children can bring cash, in named envelopes with the amount written on it as well. There will also be an opportunity for parents to visit after school.

Best wishes

Simon

How do you think World Book Day should be celebrated?

In the news this week

Across the UK and Ireland, the charity, World Book Day, will be holding its annual celebration on Thursday 7th March. The day is a chance to celebrate and encourage reading in schools and homes. Children are more likely to enjoy reading when they have greater control over what they read and when there is an emphasis on fun, the charity believes. Many schools choose to recognise the day by encouraging children to dress up as their favourite book characters, bringing in their favourite books and holding other reading activities in school.

Things to talk about at home ...

- Does your school recognise World Book Day? What do you do? Do you enjoy the activities?
- What other ways do you think we can encourage people to read? Do you enjoy reading? Do you think it's important for people to read more?

ST AUSTELL ASC

If you have a passion for swimming, are 8 yrs+ and want to join St Austell ASC please visit our webpage for more information. <https://www.staustellswimming.co.uk/>

Depending on your current level of swimming and capability, an assessment will be arranged. If successful and we have space, this will be followed by a free trial session. It is important to note that as a competitive swimming club, we work on technique and stamina to help swimmers prepare (and bring out their best) in competitions. Swimmers joining us need to be able to competently (without stopping) swim 25m in the three main strokes – front crawl, back and breast stroke. You can also trial for our [Junior water polo team](#).

We also offer a masters session for those adults who want to train with a club.

HOME INFORMATION

March's Musician of the Month

*Wolfgang
Amadeus Mozart*

About: Wolfgang Amadeus Mozart (1756 – 1791) was a prolific and influential composer of the Classical period. Despite his short life, his rapid pace of composition resulted in more than 800 works of virtually every genre of his time. Many of these compositions are acknowledged as pinnacles of the symphonic, concertante, chamber, operatic, and choral repertoire. Mozart is widely regarded as among the greatest composers in the history of Western music. His Requiem was largely unfinished by the time of his death at the age of 35, the circumstances of which are uncertain and much mythologised.

Genres: Classical, Opera, Chamber, Choral

Active from: 1764-1791

Origin: Salzburg, Austria
